

HIRING HIGH SCHOOL STUDENTS FOR STEM INTERNSHIPS

STEP 1: *Set goals*

- Contact Debbie Honan – 520-352-5833 Extension 7414 or dhonan@pimajted.org
- Determine your business needs through a needs assessment with your District representative.
- Review sample STEM internship project descriptions or examples.

STEP 2: *Write a plan*

- Carefully plan your internship program
 - Develop a written training plan with your District Representative.

STEP 3: *Recruit an intern(s)*

- Identify internship/project leader or HR representative who will facilitate selection and recruiting process for your organization.
- Review resumes of students who have applied for the position.
- Invite students to interview and interview 3 candidates and make selection.
- Extend offer(s) to students.

STEP 4: *Manage the intern(s)*

- Assign intern supervisors. Choose someone who will be a good mentor to high school students.
- Orient and manage interns on a weekly basis with period review of progress and goals with intern supervisor and District Liaison.
- Evaluation – Quarterly evaluation and feedback.
